

## Learned behaviour

Pavlov

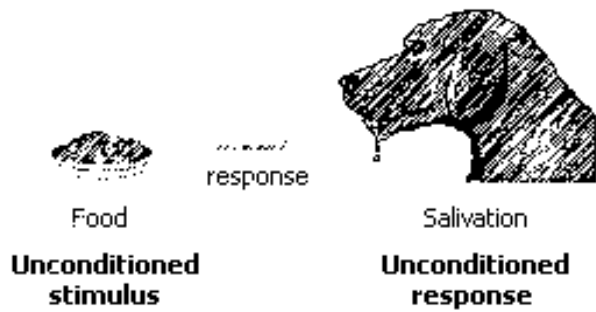

PAVLOV & HIS DOG WERE NEVER POPULAR  
AT DINNER PARTIES

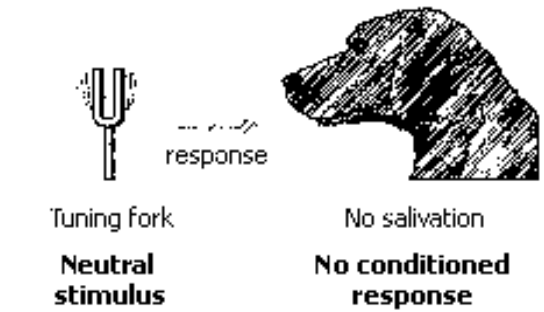

The Pavlovs get new neighbors.

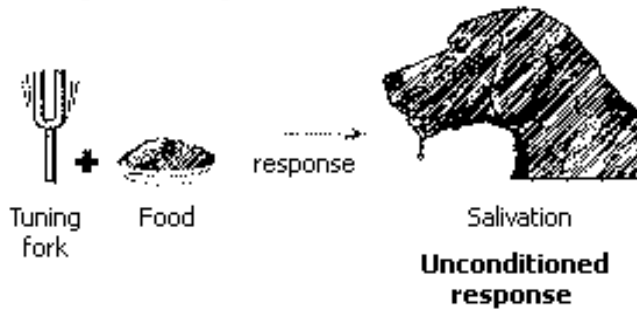

1. Before conditioning

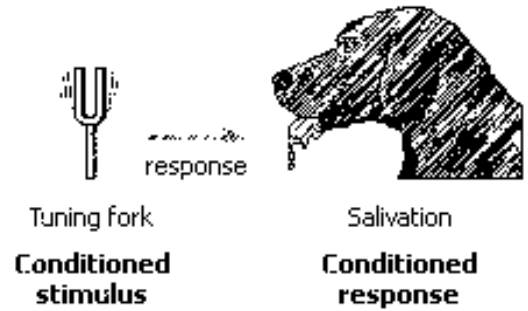

2. Before conditioning

3. During conditioning

4. After conditioning

What are .....

unconditioned stimuli

unconditioned responses

conditioned stimuli

conditioned responses

Use examples other than the ones discussed  
in the text to illustrate your definitions

Pavlov's dogs were a good example of  
classical conditioning

## Operant conditioning

Skinner

Skinner's box
